(Please see the attached Distribution List)

Dear Colleagues and Friends of the AHA Centre,

Subject: Invitation to participate in the Humanitarian and Emergency Logistics Expo (HELIX) 2021 on 20-25 May 2021 (Virtual)

The AHA Centre is pleased to announce that we will be holding the Humanitarian and Emergency Logistics Expo (HELIX) on 20-25 May 2021 as part of our continuing effort to strengthen the region's capacity in disaster preparedness and response, of which humanitarian logistics is a critical dimension. HELIX aims to gather multi-stakeholders and to capture the latest advancements and innovation in humanitarian logistics and supply chain management.

HELIX is also being organised as a joint event together with the Viet Nam Disaster Management Authority (VNDMA), being held as part of the 2021 National Week of Natural Disaster Prevention and Control in May 2021. HELIX is supported by the Government of Japan as part of the Disaster Emergency Logistics System for ASEAN (DELSA) Project under the Japan-ASEAN Integration Fund.

We enjoin you to be involved in the various interactive online events:

- International Exhibition on 24-25 May
- ASEAN Forum Focus Sessions (panel sessions) on 24-25 May
- iPitch (innovation pitching competition) on 25 May
- AHAckathon (software development competition) on 20-22 May

We also seek your support to promote this event and help us be connected with other actors and players who can contribute to the range of ideas, including in our innovation pitching competition, iPitch. More details are provided in the attached HELIX event brochure.

The central place to access all information about HELIX, including registration to the different events, is available at www.helix.ahacentre.org.

Ms. Gaynor Tanyang, DELSA Programme Coordinator, would be available to liaise with you for further inquiry of the event. She can be reached by email at gaynor.tanyang@ahacentre.org or through her mobile at +63 917 630 6709.

We sincerely thank your continued support to the AHA Centre and look forward to having you at the launching event.

Yours sincerely,

ADELINA KAMAL
Executive Director
