# IPSCConf 2021

International Postgraduate Student Conference 2021

## "STRIVING FOR A SUCCESSFUL POSTGRADUATE RESEARCH"

**11 - 13 November 2021**

IPSCConf 2021 is virtually hosted by Institut Teknologi Sepuluh Nopember (ITS), Surabaya, Indonesia, in collaboration with Association of Southeast Asian Institutions of Higher Learning (ASAHL). The conference invites postgraduate students worldwide to share their research as well as experiences to fellow postgraduate students. The current Covid-19 pandemic brings huge impact in universities. Therefore, for postgraduate students, striving to have a successful postgraduate research is an issue that requires adaptation during this challenging time. ### 3 MINUTE THESIS COMPETITION

13 November 2021

As part of IPSConf 2021, 3 Minutes Thesis Competition will be conducted to cultivate participants' academic, presentation, and research communication skills. Participants will present a compelling oration on their thesis. Participants have **1 static slide** and **3 minutes** to explain the breadth and significance of their research to the audience.

### Why participate?

- To develop your ability to explain your work effectively to a non-specialized audience, a core skill when working in both academic and non-academic environments.
- To help you identify your strengths and weaknesses when communicating a subject as complex as your research, in a clear and concise manner.
- The video of your presentation can be added to your online profile and shared with people interested in your work.
- Last but not least, you might win a prize!

### How does it work?

- Prepare a presentation of minimum 2 and maximum 3 minutes of your research topic. Only 1 static slide can be used to support the presentation.
- The presentations are held live via Zoom.
- They will be evaluated by a jury according to an established set of criteria and also by the audience ("people's prize").
- Certificates and prizes will be awarded to the top three winners.

### Registration

- Fill in the registration form [bit.ly/IPSConf21](https://bit.ly/IPSConf21) either as Presenter or Non-presenter
- Choose 'Yes' on the 3MT options upon registering
- Submit the title and area of your thesis presentation
