

# GLOBAL CONNECT SCHOLARSHIP

As part of the Enabling Partnership Scheme, The University of Queensland (UQ) is proud to offer all eligible students from Institut Teknologi Bandung (ITB), the Global Connect Scholarship (GCS) to pursue pathway programs approved by UQ and ITB.

## Scholarship details

A 25 percent tuition fee reduction is available for eligible students from ITB who commence an approved pathway program at The University of Queensland in 2022 for the duration of their studies.

Successful scholarship recipients will also receive a dedicated welcome session and networking sessions each semester, in addition to, opportunities to engage in UQ's flagship entrepreneurship programs through Ventures.

## Eligibility

To be eligible, ITB students must:

- only hold one UQ scholarship
- meet UQ program entry requirements
- agree to the Scholarship terms and conditions
- commence studies in UQ's Faculty of Engineering, Architecture and Information Technology via an approved pathway arrangement.

All Global Connect Scholarship offers will be subject to the ongoing approval from their relevant host faculty at UQ. Visit [global-engagement.uq.edu.au/gcs-terms-conditions](https://global-engagement.uq.edu.au/gcs-terms-conditions) to read the Scholarship terms and conditions.

Eligible ITB students interested in a dual degree, where both programs are eligible pathway programs, will be considered on a case-by-case basis.

If you are not eligible for the Global Connect Scholarship, you may be eligible for other UQ scholarships. Visit [scholarships.uq.edu.au](https://scholarships.uq.edu.au) for more information and eligibility.

## Application

All students from ITB who meet the eligibility requirements will be automatically considered for the Global Connect Scholarship. Following an issue of a UQ offer letter, students will receive a scholarship confirmation document confirming details and terms and conditions.

## Why choose UQ?

Ranked in the world's top 50, The University of Queensland (UQ) offers one of the most comprehensive ranges of study courses in Queensland, with more than 4000 courses offered across UQ's six faculties. With a student population of over 50,000 students, one in every four students is an international student.

When you join us, you'll be surrounded by like-minded students, who come from Australia and around the world to study here. The curiosity, creativity and resilience of our students are part of what makes employers seek out UQ graduates – a global network you will one day join, who reinforce the value of a UQ degree through their achievements and successes.

## An entrepreneurial university

As a locally and globally connected university, UQ provides many opportunities for students to apply knowledge gained in the classroom to the real world. Through UQ Ventures, students are offered a range of entrepreneurship programs, events and competitions throughout the year, including hackathons, industry events, alumni get togethers, workshops and pitch nights. You can mix and match programs depending on your experience. Free for UQ students across all faculties and study levels.

## Pioneering your future

We bring the latest ideas and research into the classroom to place you at the frontier of knowledge. You will learn from world-renowned researchers. Our international reputation means we attract some of the best minds in the world to the University – including presidents, prime ministers, international authors and ground-breaking researchers – who will inspire you to break through barriers.

## Game-changing graduates

Our research, teaching and connections prepare you to forge an exciting career. Outside the classroom you can access our career resources and participate in our Employability Award to expand your capabilities and mindset. When you graduate, you will be ready for any challenge.

More information about UQ for international students, including the study environment, links to estimated living costs, refund policies, support services, information for students with families, and your legal rights as an international student can be found at [future-students.uq.edu.au](https://future-students.uq.edu.au).
