## Call for Application for ASEAN-ROK Award for Excellence in Science, Technology and Innovation 2020

The Government of Republic of Korea (ROK), in support of Science and Technology Policy Institute (STEPI), and the Association of Southeast Asian Nations (ASEAN) recognize the importance of science, technology and innovation in promoting the economic development of nations. To this effect, an annual award is established to encourage young scientists and engineers to take on research in science, technology and innovation. The **ASEAN-ROK Award for Excellence in Science, Technology and Innovation** recognizes the academic and professional achievements of promising, early-career scientists and engineers of ASEAN nationality. The Award is open to professionals pursuing careers in any field of natural sciences or engineering.

### Eligibility

This year, the award features two distinctions.

- 1) **Next ASEAN Innovator:** an applicant must
  - be a citizen of an ASEAN Member State; and
  - be a professional with less than 5 years of working experience after earning a Ph.D.;
  - have no record in the past two years of receiving an award organized or supported by ASEAN, in the field of science and engineering
- 2) **ASEAN-ROK STI Pioneer:** an applicant must
  - be a citizen of an ASEAN Member State; and
  - be currently enrolled in a doctoral program in Korea; or
  - be a professional whose completion of a doctoral program in Korea is less than 5 years; or
  - be a professional whose completion of a doctoral program is less than 5 years and has significant research collaboration experience (e.g. post-doctoral programme, etc.) with Korea;
  - have no record in the past two years of receiving an award organized or supported by ASEAN, in the field of science and engineering

### Award

The winner of each distinction will be awarded a cash prize of US \$12,000. The winners are also invited to attend the by-nomination annual one-week ASEAN-ROK STI Training Programme held in Seoul, Republic of Korea, to present and share their work. During the closing ceremony of the Programme, the Minister of Ministry of Science and ICT (MSIT) of ROK will present the winners of the ASEAN-ROK Award for Excellence in Science, Technology and Innovation with their Award.
