

Call for Application – Specialized Medical Training – France

- DFMS: Specialist Medical Training Diploma ; 2 to 6 semesters
- DFMSA: Advanced Medical Training Diploma ; 1 or 2 semesters

Trainees will serve, within the framework of their studies, as FFI (“Faisant fonction d’interne”= Acting as Intern/House Doctor), with a salary ranging from 1 100 € to 1 700 € depending on their qualifications.

DFMS:

Applicants must **hold a medical or pharmacy qualification that allows them to practice** in their home country AND **undertake a specialized medical /pharmacy training with at least 2 semesters of hospital practice** still to be performed as of November 2020.

For DFMSA:

Applicants must **hold a specialized qualification in Medicine or Pharmacy that allow them to practice** in their home country and/or in the country where the degree was issued.

For All:

Hold a B2 level in French as by 15th of April 2021. ***Applicants who fulfill all requirements below, but do not speak French, should contact us to organize French lessons.***

Process & Timeline

1. download the file @ <http://med.unistra.fr/fre/Formations/3eme-cycle/DFMS-DFMSA> (ask us for help if needed)
2. apply **before 15 January 2021** by sending all documents to philomene.robin@diplomatie.gouv.fr
3. List of eligible applicants to be issued by March 2021. Posting by July 2021. Taking duties by October 2021.

Warning: duties may take place in any university hospital in France depending of the field of practice. University of Strasbourg is the focal point, not the final posting place.
